Ain't We Got Fun!

“Ain't We Got Fun” is a great hit from the Roaring 1920's. Richard A. Whiting's lively music for the lyrics of Raymond B. Egan and Gus Kahn have made this song a standard of the American Songbook.

Arnold Harris has written an equally lively arrangement, focusing on the word “fun”, repeated constantly by each choral section in different ways. There is also much interplay between all the voices, adding another fun element to the arrangement for chorus members to sing and for the audience to enjoy.
